

Fabrics

Fabric color matching:

Allermuir does not guarantee and will not assume responsibility for the fastness of colors or wearing qualities of any material. Due to dye lot variations, colors may not match exactly. Any adjustments made will depend upon the fabric manufacturer's willingness to stand behind their product.

Fabric puddling:

The content of certain fabrics makes these fabrics susceptible to puddling and wrinkling over which Allermuir has no control. Changes in weather, humidity and continued use can affect these fabrics.

Directional fabrics:

Fabrics such as stripes, plaids and large scale patterns may not meet expectations due to certain sewing patterns, contoured shapes and seams. When required we will upholster to customer specification but such orders are not subject to return. If you have a question or concern about fabric application to any of our products please contact your Internal Sales Support team member and submit a fabric sample for approval prior to placing an order.

COM/COL Ordering Instructions:

ALL COM and COL fabrics must be submitted to Allermuir for preliminary approval prior to shipment of fabric or leather.

Allermuir approval signifies only that such materials can be applied to the products for which they are intended. This approval does not constitute any responsibility nor any warranty on the part of Allermuir as to the appearance, behavior or durability of the COM and/or COL. Allermuir reserves the right to reject any fabrics that, in Allermuir's opinion, are unsuitable for application.

Send standard industry memo sample to: Allermuir, Attn: Internal Sales Support, 1630 Holland Rd., Maumee Ohio 43537.

Please tag memo sample for which product it is to be tested, also include your contact information

Include application instructions for striped, plaid, patterned, or large scale repeats. In the absence of specific written instructions, fabrics will be cut, seamed and applied at our discretion and at the customer's own risk.

COM/COL orders will only be scheduled for production only upon receipt of production yardage.

Excess COM/COL materials will be discarded at the discretion of Allermuir unless otherwise instructed by the customer at the time of purchase.

COM/COL Shipping and Receiving Instructions:

All approved COM/COL materials must ship to the following location and be tagged with dealer name and purchase order on all packing lists. Ship all materials to Allermuir, 1630 Holland Rd., Maumee, OH 43537.

Additional fabric finish options:

Allermuir will add additional finishes to fabrics, included but not limited to NanoTex, DuraBloc or InCase. In these cases please increase your fabric grade by 1 grade to cover the cost. For example, if you have selected a Grade 2 fabric and would like to add InCase, please use Grade 3 pricing. Also, please make sure your PO clearly states that you would like to add the InCase treatment. This additional treatment will add approximately 2 - 3 weeks to Allermuir's standard lead time.

Zipper Colors:

Allermuir will make every effort to match zippers to the fabric the best we can, whether it's graded in or COM/COL fabrics. However, we do not custom color zippers to match fabric.
