

Grizzly Welcome Week 2017 – Video Transcript

Grizzly Welcome Week is the first experience students have on campus.

Welcome Week includes a welcome BBQ, games like bingo, dodgeball and water activities.

Our goal is to provide an atmosphere to build a student body community where they will stay focused on their future at Missouri State University-West Plains.

Welcome Week is a great time to get students involved on campus, so they will stay engaged.

Please help support students on our campus by donating to Welcome Week 2017.

On behalf of the student body, thank you for helping us succeed.
