

Support MSU Concert Bands – Video Transcript

ZASTOUPIL: Hi, I'm John Zastoupil, Director of Concert Bands at Missouri State University. Here at MSU we have a long history of excellence in the concert hall thanks in part to retired conductor emeritus, Dr. Belva Prather. This year the wind ensemble has been accepted to play at two outstanding conventions and we need your help getting us there.

READER (tuba): I'm most excited to get to CBDNA because it'll be my first time traveling with the wind ensemble.

WOLFE (oboe): As a first year wind ensemble member, it's an honor to play in a group that plays music at such a high level.

DANIEL (saxophone): As a future music educator, it's really exciting to go to MMEA and showcase what we've been working on for our peers and fellow educators

ZASTOUPIL: Thank you for taking the time to view our campaign, share it with family and friends, and consider making a financial gift to support our students at both of these prestigious events. Thank you, and Go Bears!
