

MSU Choral Endowment

Will: We're raising funds for the MSU Choral Endowment.

Madalyn: We have a lot of great things going on this year and we want to support our students this year and for years to come.

Will: The Men's Chorus is performing at the Missouri Music Educators Association Annual Conference.

Madalyn: The Women's Chorus is performing at a special holiday event at Silver Dollar City.

Briar: The Chorale is performing at national and regional conferences and touring Scandinavia and China.

Aurielle: And we even had the Grand Chorus sing with the Pride Band at a Bears' Football Game!

Briar: Our goal for this year is to raise at least another 50,000 dollars, which would match the amount raised last year. Every gift makes a difference!

Aurielle: Your support of the choral program allows MSU to have a stronger presence in the world by funding opportunities for travel, commissioning new music, scholarships, recording projects, and equipment purchase.

Will: The great thing about this endowment is that it will last forever, impacting current and future students. Every gift, large or small makes a difference.

Madalyn: Thank you for your gift to the MSU Choral Studies program.

Briar: Go bears!

Aurielle: Go bears!

Will: Go bears!

All: Go Bears!
