

Missouri State Winter Guards Travel

Speaker: Pride of Missouri State, you make take the floor in finals competition.

John: The Missouri State Winter Guards have a 30-year legacy representing our university at Winter Guard competitions throughout the United States. Our hard working students need your help to support this year's travel expenses to competitions. We ask you consider a gift to help offset their personal expenses for Winter Guard.

You can help by making a gift of any amount or becoming an advocate and sharing on social media. On behalf of all of our Winter Guard participants, we thank you!

Speaker: The Pride of Missouri State, from Missouri State University in Springfield, Missouri.
