Frequently Asked Questions

Who is giving the \$150,000?

A generous group of alumnae/i donors has pledged \$150,000 if 1,500 donors give on May 3. Some of those donors wish to remain anonymous. Others will be named on the Founder's Giving Day web page.

What will my gift support?

Your gift will support The Vassar Fund, which funds academic programs, the Library, scholarships, and every aspect of the Vassar experience.

Can I designate my gift?

To designate your gift, please visit give.vassar.edu. Select "Vassar Fund" under "Gift Designations," and a menu option of designations will appear. Your designated gift will still count for Founder's Giving Day.

I've already donated this year. If I give again, will it count?

Yes!

Can I give more than once to help my class and/or my club?

You may only give once. Your gift will be counted towards your class and club participation, so be sure to select your Vassar Club in the drop-down menu and your class year after checking "Alumnus/a" in the "Affiliation" section of the giving form.

How are the winning club and class determined?

The club or class with the highest percentage of donors wins the club or class competition. The percentage is based on the number of solicitable alumnae/i in the club region and class who have not yet made a gift this fiscal year.

Is there a minimum dollar amount for my gift to be counted toward the challenge?

Yes, for your gift to count toward the challenge it must be \$5 or more.

What if I want to mail in my gift?

If you want to mail a check early and have it count, please write "Founder's Giving Day" in the memo line, and we will add your gift to the Founder's Giving Day donor count.

Can I give over the phone?

Yes. You can call 1-800-443-8196, and we will take your credit card information over the phone and add your gift to the Founder's Giving Day donor count. However, it will be easier and faster to make your gift on the [Founder's Giving Day web page](http://www.givecampus.com/fag).
