

# HOW TO BECOME AN ADVOCATE

Make an impact by encouraging your classmates, friends, and family to support Grinnell students by becoming an advocate. It is as easy as 1, 2, 3!

## **1** LOG IN or CREATE AN ACCOUNT

Log into your GiveCampus account or create an account so we know how to celebrate your hard work! Go to [alumni.grinnell.edu/giveback](https://alumni.grinnell.edu/giveback) and click "Sign Up" in Advocate tab to create an account.

## **2** MAKE YOUR GIFT

It's much easier to ask friends and family to join your support for Grinnell if you have made your own gift. And better yet make it a matching gift or create a challenge gift to encourage others to give.

## **3** SHARE, SHARE, SHARE

The built-in share buttons on the campaign page generates a link that is unique to you. If you share while you are logged in, we can track and celebrate your impact!
