

Legacy of Leadership Grants

The **Legacy of Leadership Annual Fund** is established by Discipleship Ministries in collaboration with the United Methodist Camp and Retreat Ministry Association (UMCRM).

The current goals of the grant portion of the Legacy of Leadership Fund are to:

- A. Provide training on a regional, national or denominational level geared specifically to prepare camp and retreat leaders for missionally effective leadership that creates a strong and vital future for camp and retreat ministries within the United Methodist Church
- B. Open new opportunities for participation and significant leadership by persons from communities currently underserved, including a wide variety of ethnic groups in the U.S. and emerging camp/retreat ministries in other nations.
- C. Develop and/or provide important resources needed and used broadly by camp retreat leaders within the denomination to establish best practices and implement adaptive change needed to focus and fulfill our Christian mission in ever-changing contexts.

Grant recipients must be from organizations within the United Methodist Church such as conferences, local churches, camp and retreat centers, and other groups within the denominational structure **or** ecumenical groups working in collaboration with UM Camp and Retreat Ministries to realize the above mentioned priorities and goals of the grant.

Each applicant for a grant must submit the official application form by the deadlines AND complete an evaluation within 30 days of the completion of the project for which the funds are granted, if approved.** Those who do not complete an application and have not been approved for a grant in advance should not assume they will receive a grant after the fact. Those who do not fully complete and return the evaluation form will not be eligible for future grants.
