

# HERE I STAND: 500TH ANNIVERSARY EDITION

## ERRATA

### Rulebook

9.6 Declarations of War, step 3, first sentence, change from: "If a player declares war on a minor power, the CP cost of the declaration is always 1 CP" to "... the CP cost of the declaration is either 1 or 2 CP."

15.1 Assault, Requirements, first bullet, change from: "**Exception:** The card *Roxelana* allows the Ottoman player" to ..." to "**Exception:** The cards *Roxelana* and *Scots Raid* allow players to ..."

19.3 Returning Home, Land Unit Return Home Procedure, step 3 says: "There are three exceptions to the rules in this procedure:" however a fourth exception was added for this edition.

21.7 Foreign Wars, seventh sentence reads: "when the foreign units is over" but should be "when the foreign **war** is over."

### Scenario Book

1532 Scenario, Cards in Play, add to the list of cards that should be included in the deck:

- 'Scots Raid' (#97)

Page 9, Setup for Tournament Scenario Figure:

- Add an Independent hexagonal control marker to the Malta space
- Remove the Pacific Strait VP marker (is already on the Hapsburgs Power Card)

### Cards

The titles on the following cards should be in RED text to match the other Mandatory Events in the game:

- Scots Raid (#97)
- Imperial Coronation (#113)
- La Foret's Embassy in Istanbul (#114)

### Sequence of Play

On the normal side of this card:

- In Cards Added for Turn 4, "Thomas Cromwell" should be in blue text (Response)
- In Cards Added for Turn 7, "Elizabeth I" and "Julius III" should be in red text (Mandatory)

### Countersheet 5 of 5

Section 1 Note: Remove the word "only" from the first sentence. Add this sentence: "Also add these counters (except John Frederick) if you have a game newly printed for the 500<sup>th</sup> Anniversary Edition of *Here I Stand*."

## 1532/TOURNAMENT SCENARIO SETUP CLARIFICATION

We have included information on how to setup the game for the 1532 Scenario and Tournament Scenario (which share a common setup) on the back sides of the Power Cards and in the Extended Example of Play that starts on Page 9 of the Scenario Book. Not covered by these setup illustrations are the following items:

- the Hapsburg, English and French explorers and conquistadors that need to be removed from play (see Scenario Book Page 4)
- the Zwingli debater and reformer counters that need to be removed from play
- the cards that need to be removed from play (see Scenario Book Page 5)
- the Andrea Doria naval leader in Genoa who was omitted from the setup on both the power cards and the example of play
