

# Simple GBoH 2<sup>nd</sup> Edition Errata & Clarifications

## October 2018

### Rules

(7.16) Add before the last sentence: "Only hexes/hexsides with a MP cost to enter of 1/+1 (no h of (h)) are eligible."

(7.24) Add at the end of the 1st sentence: "... or any adjacent enemy unit."

Add at the end: "When firing at a unit using Hit & Run Tactics, the player may use any hex in the traced path for determining range and LOS. The Artillery fire is resolved before the H&R fire."

(7.46) Example:

References to "LG/CO" should be "LG/HA"

2<sup>nd</sup> sentence should be: "The LG/HA a will attack the Aetolian HI #3, LG/HA c will attack the Aetolian HI #2, and the LG/HA b will attack the Epirus SK."

(7.54) Example #1:

References to LG/CO b should be to LG/CO c.

The two sentences beginning with "LG/CO b" should be: "LG/CO c also has net Shock DRM of +2. The Roman player rolls a 5."

Example #2:

References to "LG/CO" should be "LG/HA"

The text on regarding the Hits on the Roman units should read: "There is no effect on the Macedonian Phalanx while the Roman stacks suffer 2 Hits and then both must check for Rout. The top units in both stacks each receive a Hit."

### Player Aid Card

Weapons System DRM Matrix (7.82), Frontal Attack – LN vs. CO(r) should be "-".

### Playbook

Using These 2nd Edition Rules with Other Publications

#### Hoplite

Replace entire section with:

- Use the charts in Hoplite except for the Shock Results Table.
- Ignore the Cohesion Hit DRM on the Missile Range & Results Chart
- Ignore Hoplite 7.52 bullet #2 (Moving Attack); bullet #1 applies
- Ignore Hoplite 7.53 bullet #1; bullet #2 applies, replace "or" with "+" in the text.
- Ignore Simple 10.53. The remainder of Simple 10.5 applies.
- Ignore the Units with Reduced Side sections on the Formation Charts.

#### Raphia 2<sup>nd</sup> Edition

- Ignore the Units with Reduced Side sections on the Formation Charts.

#### Chariots of Fire

Add: J-armed Chariots have limited missile capability per Simple 7.11 bullet #3. They may also fire per CoF 7.19.
