

GET IT DONE:

Better Schools Now for Michigan Students

QUALITY EDUCATION FROM CRADLE TO CAREER

- Phase in quality, full-day universal preschool
- Raise Michigan's child care eligibility and reimbursement rates
- Triple the number of literacy coaches in Michigan
- Give students the in-school support they need
- Support schools as the center of our communities
- Ban guns in our schools
- Establish a reliable state funding source for Early On services
- Encourage the innovation and implementation of education best practices

PATHS TO PROSPERITY WITH A HIGHLY EDUCATED WORKFORCE

- Work with schools to fix the shortage of counselors
- Ensure every student creates a post-graduation career plan
- Continue to grow support for project-based learning
- End ineffective over-testing
- Renew investments in elective and extracurricular opportunities
- Create the MI Opportunity Scholarship, a two year debt-free talent investment

RESPECT FOR EDUCATORS

- Rigorous and practical teaching preparation programs in our colleges
- Offer competitive compensation and professional working conditions
- Ongoing, content-specific professional development
- Provide more opportunities for teacher collaboration

STABILIZING SCHOOL FUNDING & IMPROVING ACCOUNTABILITY

- Fix our broken school finance system by converting to a weighted foundation allowance
- Stop raids on the School Aid Fund so every penny goes to K12 education
- Adopt strong quality and accountability standards that every public school must meet - traditional and charters alike
