The Mid-West Ag Safety Director's Association is excited to host another safety leadership conference after taking a year off due to the Covid Pandemic. We are hoping that your organization will consider becoming a Corporate Partner for this year's conference. Partnerships help our organization continue our mission of growing safety leadership in the agricultural industry. As a Corporate Partner, your organization will have its logos displayed on the event programs, signs, and banners. Your organization will also be recognized as an event supporter by our announcers several times during the conference.

This conference provides Ag Safety Professionals an opportunity to grow in their leadership skills. It's not enough to write safety programs and train employees. Safety professionals must have excellent leadership skills to influence the safety culture within their organizations. Your contributions to this conference help ensure we can continue to bring in the best leadership coaches, speakers, and conference facilitators.

Please mail in a separate conference registration form and registration fees for individuals from your organization who will be attending the conference. For more information about becoming a conference partner, contact Brad Bousquet at brad.bousquet@cvacoop.com or call (402) 649-3972. Mail this form along with a check in the amount of your desired partnership payable to:

Mid-West Ag Cooperative Safety Director's Association
P.O. Box 286
Holdrege, NE 68949

Please submit Partnership Forms by November 30, 2021 to assist us with our event planning.

On behalf of the Mid-West Ag Cooperative Safety Director's Association, I would like to thank you for your support. Without corporate partnerships, we would be unable to bring these great leadership conferences to Council Bluffs. We have an exciting lineup of speakers and leadership coaches. Our theme this year is Leverage Your Influence - A Winning Strategy to Strengthen Safety Culture. Thank you very much for all of your generous support.

Sincerely,

Brad Bousquet
MWACSD, President
