## *Diamond R Fertilizer Co., Inc.*

Fort Pierce, Winter Garden, Okeechobee, LaBelle - Florida

### Specimen Label

Important: Read and Follow Label Directions Prior to Using any Agricultural Chemical

<b>ACTIVE INGREDIENTS:</b>	
Highly Refined Paraffinic Oil	83%
Polyoxyethylene sorbitan fatty ester	17%

All ingredients are exempt from the requirements of a tolerance as specified in CFR 40, 180.1001 (c)

### CAUTION

Avoid contact with eyes. In case of contact with eyes, wash for 15 minutes with water. If irritation persists, get medical attention.

### KEEP OUT OF REACH OF CHILDREN

### DIRECTIONS FOR USE

**DIAMOND R SPRAY ADJUVANT** may be applied by either aerial or ground spray equipment.

### CITRUS

**GROUND SPRAY:** One quart to two gallons per acre using a minimum of 10 gallons of water per acre.

**DIAMOND R SPRAY ADJUVANT** is compatible with most of the commonly used agricultural chemicals. A jar test for compatibility is recommended.

### NOTE: DO NOT USE WITH SULFUR, COMITE OR MORESTAN.

Comite is the registered trademark of Uniroyal Chemical Company. Morestan is the registered trademark of Bayer, Inc.

### MIXING

1. Fill spray tank 1/2 full with water and begin agitation.
2. Add required amount of insecticide for fungicide and the remaining volume of water. Continue agitation.
3. Add the required amount of **Spray Adjuvant** and continue agitation until a uniform mixture is obtained. Maintain constant agitation during application.

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Store in a cool, dry locked area out of reach of children. Keep oil container tightly closed in storage to prevent

entry of water.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Do not reuse empty container.

**Metal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by the state and local authorities.

**Plastic:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

## INFORMATION

**SPRAY ADJUVANT** is a special blend of surfactants with highly refined paraffinic oil designed to enhance the activity of labeled insecticides, miticides, and fungicides when used at recommended rates.

**DIAMOND R SPRAY ADJUVANT** when used as directed will reduce loss of spray deposits by giving more even distribution on leaf surfaces and affords greater resistance to weathering and washing by rain.

Do not contaminate lakes or ponds by disposal of waste or cleaning of spray equipment near water.

**NOTICE:** The statements made of this label, or by any of our agents concerning this material, are given for information. They are believed to be true and accurate, but because conditions of use which are of critical importance are beyond our control, Diamond R does not make, nor does it authorize any agent or representative to make, any warranty, guarantee, or representation, express or implied, concerning this material except that it conform to the chemical description on the label. Neither Diamond R nor the seller shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting to the buyer or to any other person from the handling, storage or use of this material whether or not in accordance with directions. The buyer assumes all risk and liability resulting from such handling, storage or use and accepts and uses this material on these conditions.
