**Effective Date:** 3/20/2018

**Description/Title:**

Discontinuation of HAKKO FR-300 Desoldering Tool

**Part No:**  
FR300-05/P

**Specification:**  
**DISCONTINUED**

**Comments:**

Hakko will be discontinuing the FR-300 Desoldering Tool effective March 20<sup>th</sup>, 2018 or once the remaining supply has been exhausted. The N50B nozzles are available and the previous model N50 nozzles will still be available until supplies are exhausted.

Hakko guarantees a replacement part supply for a period of three (3) years, and a consumable parts supply for a period of five (5) years after the date of discontinuation of a product. After applicable guarantee period, replacement and consumable parts may only be available while supplies last. No order will be accepted for the parts numbers listed herein once out of stock.

The discontinued model will be replaced by the Hakko FR-301 Portable Desoldering Tool, which offers improved performance and more versatility in nozzle selection.
