[Take Me to My Profile Page](#)

- a. Scroll down to the purple **Share the Love Box** to retrieve your Referral Code.

You may also receive emails occasionally with helpful resources to better equip you with all the tools you'll need to refer your friends and continue building your tribe within the HCI community.

Can I refer multiple friends?

Yes! The great thing about our referral program is you can refer as many friends as you like, as often as you like.

How much can I make off the Refer A Friend Program?

We are happy to inform you that our referral reward amounts have recently **increased by 67%**! It is our way of sharing our marketing spend with you. We are so happy to have you onboard, we wanted to make sure you know just how much we appreciate you and each friend you refer.

Right now, you can not only get your dearest friends on board with a wonderful, inspiring community of people just like you who are here to live their best lives while building each other up, but you can also receive the following:

- \$500 for each new referral you sign up who enrolls in our Become A Health Coach

Program. You may choose to receive payment via check or by PayPal. To review full enrollment and eligibility terms, visit the [Offer Terms](#) page.

When do I get paid for the friends I refer into the program?

In order to qualify for the Referral Payment, your friend must remain enrolled in BHC with account in good standing for a period of 90 consecutive days after the start of their program. The company shall pay you the Referral Payment approximately 60 days after this period provided that you and your friend are in compliance with the Terms (via check or PayPal).

With no limit to the number of friends you can refer, you can think of it as a great way to supplement your income, which arms you with the freedom to continue investing in your goals!

How can I be sure I get credited for each friend I refer?

The friends you refer will need to use the introduction code associated with your account in order for you to receive the rewards. Please note each new person you refer will have up to 180 to enroll in the program.

It is good practice to stay in touch with the friends you refer and provide guidance and share resources as needed. Simply sharing your story of the personal growth you've experienced through BHC and all the resulting benefits you've enjoyed can be a great catalyst to inspire others in the community! So share a lot ... and then share some more!

How can I stay on top of all of this referral activity?

We are glad you asked because we are rolling out a new, robust referral tracking program, which you can now access from your dashboard. You'll see the new Tab "Referral Tracker" on the left-hand side navigation. When you click on this tab, you'll be guided to your very own, at-a-glance referral tracker, with all your recent activity. Here you can see things like your current pending and approved rewards.
