ABOUT AMERICAN HOME SHIELD

What is a Home Warranty?

It's a one-year service agreement that covers the repair or replacement of many major home system components and appliances that typically breakdown over time due to normal wear and tear.

Homeowners Insurance and a Home Warranty — What's the Difference?

You sensibly protect your house with homeowners insurance. While homeowners insurance covers many appliances and system components in the event of a disaster (such as a fire), having an AHS® Home Warranty will cover those items against the high costs of repair or replacement in the event a breakdown occurs.

Who is AHS?

The leader in home warranties, AHS was founded in 1971 to help homeowners across the country protect their hard-earned investments.

Recognized with the *2013 Best in Service Award* from HomeWarrantyReviews.com and the *2014 Women's Choice Award*, our customer service is well-respected, with professional agents ready 24/7 to accept your service requests.

AHS Home Warranty Packages

There are three AHS Home Warranty packages available during the real estate transaction, making it easy for you to get exactly the coverage you need, at a price you can afford.

▶ ShieldEssentialSM

Covers the most critical **home systems** that homeowners tell us they want in a home warranty.

▶ ShieldPlusSM

Covers the most critical **home systems**, plus many major household **appliances**.

▶ ShieldCompleteSM

Offers the most **comprehensive coverage**, including the items in ShieldEssential and ShieldPlus combined, plus **additional home items**.

AHS offers the same high level of coverage across all three packages, such as repairs and replacements for mismatched systems, undetectable pre-existing conditions, improper installations, lack of maintenance, rust and corrosion, and more.

Effective

Homes with an American Home Shield Home Warranty sell an average of **11 days faster** and for **\$2,314 more** than homes without a home warranty - that's more than **3X** the average price of the plan.*

WHY DO I NEED A HOME WARRANTY?

Benefits to Home Buyers

Our real estate plans protect your house, so you can focus on making it your home.

- ▷ Gain confidence and comfort knowing that your hard-earned investment is covered by an industry leader.
- ▷ Don't stress about potential undetectable pre-existing conditions (like lack of maintenance and mismatched systems) — they're covered!
- ▷ Confidence in our nationwide network of professional home repair experts that we pre-screen and monitor for your convenience.

**Information above is based on data collected by AHS and a large national real estate firm of the firm's listings that closed between January 1, 2012 and December 31, 2012. We studied 24,230 listings from across the country ranging in price from \$100,000 to \$500,000. These results were verified by Cannon & Company, a third party accounting firm.*

***Subject to \$2,000 cap for all trades during listing period.*

Benefits to Home Sellers

Sell faster, for more money and with fewer worries.

- ▷ Gain confidence and comfort knowing that your budget is protected while your home is on the market.**
- ▷ Help sell your home an average of 11 days faster and for an average of \$2,314 more.*
- ▷ Mitigate unexpected issues from the home inspection to keep the sale of your home on track.

Additional Benefits:

AHS Appliance Discount Program

AHS passes along our discounted pricing on quality name brand appliances, resulting in big savings exclusively to AHS Home Warranty customers.

Air Filters Discount

Get from 30% to 50% off retail prices on AC/Furnace filters for your home.

HOW DOES IT WORK?

With American Home Shield, it's easy to get service for your covered home system components and appliances. Just follow these easy steps below when a covered breakdown occurs:

1

Contact Us

Check your Agreement to verify the item is covered by your AHS Home Warranty. If it is, call our 24/7 customer service line toll-free at **800 776 4663** or visit ahs.com to place a service request.

2

Contractor Assigned

American Home Shield will assign a service contractor to handle your covered request. If we have your email address, we will send you an email confirmation verifying the request has been received by the service contractor.

3

Schedule Service

A service contractor will contact you by phone to schedule a time during normal business hours to visit your home and diagnose your covered item.

4

Relax

When the service contractor arrives at your home, you pay a Trade Service Call Fee. This is a fee paid per service trade (plumber, electrician, etc.), and is typically less than their standard service rates.

There may be additional costs associated with your repair or replacement.

Networked

One company that gives you access to more than **10,000 service contractors** and over **45,000 technicians nationwide** that have the know-how to get the job done right.

10,000 contractors
45,000 technicians

Valuable

On average you could spend up to 4% of your home's value annually on **maintenance and repairs**. An AHS Home Warranty may help defray some of these expenses.

4%

WITHOUT A HOME WARRANTY...

WHAT DOES REAL ESTATE EDITION MEAN?

10 Year Pricing

Is the home less than 10 years old? Our pricing structure may qualify you for exclusive, lower than ever pricing. For example if your house was built in 2006 and it is now 2014, your house is 8 years old you would receive the <10 yr pricing.

Buy Now and Save

Don't wait until the home is sold. Make the most of the Real Estate Edition product and invest in the AHS Home Warranty before closing.

The Real Estate Edition pricing is only available while you are involved in a real estate transaction. Afterwards plans will change and pricing will increase.*

Flexibility to Upgrade

Need to upgrade? No problem. Home buyers have 60 days from closing to upgrade or change their coverage options.

Seller Coverage Option**

Regardless of the warranty package selected, qualified home sellers can add the Seller Coverage Option for up to 6 months (term renewable upon request) while their home is on the market. With the same covered items as the **ShieldEssential** package, this option can help protect the seller's budget during the listing period, distinguish the property from other listings and help reduce pre-close issues related to the home inspection. Best of all, no money is due until the home closes.

QUESTIONS? WE HAVE ANSWERS.

Q: Why do I need a home warranty?

A: The fact is all home system components and appliances eventually fail. An AHS Home Warranty can help you avoid the cost of repairs and replacements and relieve you from the frustrations and uncertainties of finding a qualified service contractor.

Q: Is everything in my home covered?

A: While AHS covers many items in your home, we do not cover everything. Examples of items not covered under any plan are: wood stoves, fireplaces and chimneys; electrical breakdowns such as power failures, surges or circuit overload. Refer to your Agreement for specific coverage.

Q: Why register my account at ahsregister.com?

A: You'll get additional benefits when you enter your email address, including service follow-ups and our e-newsletters with important home maintenance information.

Q: How do I know my service contractor is qualified?

A: Our comprehensive network of independent, screened service contractors are monitored and graded on their performance through our Customer Satisfaction Survey Program.

Q: What out of pocket expenses will I have?

A: You will pay a Trade Service Call Fee to each service contractor of a different trade who visits your home to diagnose a problem or perform a service. There may also be additional costs associated with the repair or replacement of covered items. Details are included in your Agreement.

Q: Is my home warranty renewable?

A: Generally, coverage is renewable, although terms of coverage and pricing may vary. At the end of your Agreement Term you will receive notification as to renewal terms.
