

"...I was very impressed with his ability to network with other Realtors and he kept us informed on their feedback...We highly recommend Kevin Love and without a doubt, would work with him again in the future." Denny & Dori Freemyer

"We cannot recommend Kevin highly enough as a realtor. He guided us through the simultaneous sale of our home and purchase of the next, giving us smart advice about preparing our house for listing, contract negotiations, financing and life in general!" Jen & Sam Myers

"We just closed on our third property using Kevin Love. He is AMAZING! He is honest, upfront, reputable and professional. I have recommended him several times over the past 15 years He assisted selling a home that other realtors had tried to sell for over a year. He always had time for questions and made us feel like we were his only client..." Terry & Elizabeth Hope

"Kevin was actually the seller's agent of the house we purchased, and is now a neighbor. We were truly impressed with the level of dedication and support he gave to the seller. (the original owner of a 1957 home. 89 years old, living on her own, with no children or family to help her.) Kevin took such great care, and with such patience, helped her with every step. This level of service is rare, which I believe is what sets Kevin apart from the rest." Amber Van de Genachte

"This latest transaction is our third transaction with you, and they just keep getting better and better! Thank you for your repeated help over the past eight years. We look forward to working with you many times in the future." Kathryn & Matt Erskine

"...it was such a comfort knowing that my mother's needs and welfare came first above any financial gain...The house now let in so much more light, looked more contemporary and would appeal to a broader and younger market as well. You sold the house in one day, and got our asking price..." Lynn Travis Hinkel

"Kevin sold our house in McLean in a matter of days, full price, at a time when the market was depressed...Interestingly, we found him by noticing that a home in Arlington we had been looking at for a while suddenly looked better and had a lot more interest (it subsequently sold in a week) and that Kevin had recently become the listing agent. He has an amazing eye for selling homes and is extremely attentive. He is as good as we have ever seen in a listing agent..." Glenn & Joy Tobin

"From our first meeting to discuss the listing till the end of our closing, Kevin proved to be a thoughtful, honest, & knowledgeable professional who served us exceedingly well! In our opinion, anyone who chooses Kevin to be his or her representative will be extremely satisfied."

Dallas & Jill Martin

Kevin Love has sold two of our homes in the D.C. area - one in Palisades (NW DC) and one in Woodmont (Arlington). He made the process as seamless as possible, and his knowledge and advice and hands on management of preparing each home for the market was invaluable... Kevin sold my D.C. home in 2009, and although the market was not very robust, he sold it in record time above the list price! Kevin is very professional, honest, kind and easy to work with. I would never use anyone else! Ken Windheim & Ashlye Daniel

"He was caring, compassionate, and professional, always offering to go that extra step to help us during those difficult times. Would I recommend him? Of course! Highly." Ed Rydalch
