INTRODUCING....

Terry Wygle, Assoc. Broker, ABR

I can save my buyers time and money as I have extensive knowledge of the properties in Crawford county in addition to the neighborhoods, resale values & rates of appreciation! If you are a seller, marketing is my passion! I love what I can do with new technology now days and most of my homes sell in record time... putting more \$\$ in YOUR pocket!

Little history about me: I am a 6th generation "Crawford Countian" with my Great, Great, Great grandfather Baltzer Gehr having come into the area in the early 1800's and settled around Gehrton Road between Conneaut Lake and Linesville (now referred to as Reed Ave. Ext.) My Great Grandmother Cora Wilson taught school in Conneaut Lake in the Early 1900's and my Father Ted Wilson got into real estate in 1957 with the Bainbridge Agency (the forerunner of H.H.B.K. Real Estate)

I grew up in the Meadville, Conneaut Lake, Linesville area...my Family having moved around a bit, I Graduated from Linesville High School and started in real estate when I was 18. I have attended Allegheny College, Edinboro University and Behrend College. My husband Jerry and I went to school together. He was a Star basketball player and I was a cheerleader. We both went on to marry others and didn't meet again until 1990. We married in Las Vegas in 1993. A pipeline welder by trade, he now works as an inspector in the same business.

We have 3 children & 5 grandchildren: Stephen Reynolds & grandchildren (Cadence & Ian); Stacy Daly and her husband (Tim Jr.) & last but not least Mandy Hamilton and her husband Brett (Owen & Gracie) Had we known what fun grandchildren were, we would have been nicer to their parents!

In addition, we opened the Plaza Express Car Wash in 2014 as a family owned & operated business and most of the family members mentioned above work there on some level or another.

I generally do somewhere between \$5 to \$8 million in gross volume sales. Real Estate is my passion!
