**ORANGE COUNTY REAL ESTATE FIRM ANNOUNCES
APPOINTEES TO PWR ETHICS AND RULES COMMITTEES**

FULLERTON, CA (January 18, 2016) – CENTURY 21 Discovery announced today that two of their agents have been appointed to Pacific West Association of REALTORS® (PWR) committees. Becky Bode was appointed Vice Chair of the Grievance Committee and Scott Gooding was appointed Vice Chair of the Professional Standards Committee. These committees ensure that the integrity of the local real estate industry is maintained and enforced.

The Pacific West Association of REALTORS® advocates for professional and ethical standards with a process that allows the general public and other REALTORS® to file ethics grievances against REALTORS® in the association. The Grievance Committee reviews the complaint to determine if it is a violation of the REALTOR® Code of Ethics, PWR Bylaws or Multiple Listing Service (MLS) Rules and Regulations. Violations are then forwarded to the Professional Standards Committee. Becky Bode brings 35 years of real estate experience to her Vice Chair position on the committee.

The Professional Standards Committee holds a hearing with all parties involved to present their case. After committee review, they come to a decision and administer disciplinary action if deemed appropriate. This can be in the form of a warning, required education, a substantial fine or expulsion from the MLS. Scott Gooding brings his knowledge as a 29-year veteran of real estate to his position as Vice Chair of this committee.

CENTURY 21 Discovery is a full-service real estate firm with over 125 agents located at 100 W. Valencia Mesa Drive, Fullerton, CA 92835. For more information about these professional REALTORS® or services offered you may call CENTURY 21 Discovery at (714) 626-2000.
