your

says...

What
she
means

she
doesn't
mean...

Hold me...

Hold me...
Tonight's the
night!

Homeschooling
is hard.

Would you please
hold down the

take a bath?

Public school
is the only
option.

Thanks for
helping with
the dishes.

Keep it up and
tonight might
be the night!

your selfless

servant's heart.

denied.

Homeschooling
was the biggest
mistake of
my life.

I can't do this
anymore!

I feel over-
whelmed by my
responsibilities.
Help me!

Please ignore
me, I'm just
being an
emotional woman.

Can you help
me decide which
route to go in
this matter?

I want to bounce
some ideas off
you, if you can
spare a minute.
I value your
opinion...

You need to
take a vacation
day and figure
this out now!

I miss
feeling
successful.

It would be
nice to get
feedback that
homeschooling
is the right
choice.
