

Mission Spotlight

Malawi

Continue to be in prayer for Pastor Govati and his family as they continue to minister in Malawi as well as for Umodzi Baptist Church in Lilongwe and the Mtendere Orphanage.

We are also planning another mission trip to Malawi in the summer of 2018. There will be an interest meeting to discuss the trip on April 29 after the service. If you are interested in going you need to be at that meeting.

“When [the church] gathers, something otherworldly takes place. It’s an outpost of hope in a dying world, a fellowship of resurrected sinners, whose presence in the world is a foretaste of a greater transformation to come.” –Mike Cosper
