

# Archaeology Observations Notebook

Go and dig for some artifacts and then record your findings below!

Date of dig: \_\_\_\_\_ Location of dig: \_\_\_\_\_

Draw a picture of what you found:

What I see when looking at it:	What I see under a microscope:
--------------------------------	--------------------------------

Describe your artifact:

---

---

---

---

What is it made from?	How old do you think it is?
-----------------------	-----------------------------

What do you think it was used for?	Who do you think made it?
------------------------------------	---------------------------
