2018 was a successful year for Keibeb Safaris.

We had hunters from Canada, Russia and The Netherlands.

These hunters all enjoyed our exceptional trophy hunting and uniquely Namibian hospitality.

Bruce Kenny and George Rhodes from Canada visited us in May and had an exceptional hunting safari.

Bruce shot an Oryx, Impala Common, Kudu, Hartmann's Zebra and a Black Wildebeest.

He was most impressed by the Kudu hunt.

George shot an Oryx, Springbok, Impala Common, Hartmann's Zebra and a

Kudu.

He was most impressed by the Impala Hunt.

Mattheus Zondag and Ronald van de Geest from The Netherlands visited us in June.

Mattheus shot an Impala Common and Ronald shot a Burchell's Zebra.

They enjoyed their short safari with some friends and family.

Our Russian friend, Igor Petrov, set out searching for a Zebra in July and was most impressed by his Burchell's Zebra that he shot.

We look forward to welcoming you to our beautiful country Namibia in the future.

Reviews

"The memories I have of this trip will live with me forever and has also left me determined to return for another trip with Steph Marais at Keibeb Safaris."

"This was my first hunting trip to Africa and it lived up to my expectations in every way. I wanted to shoot plains game having had forty years of extensive deer stalking in Scotland. To hunt on foot in Namibia with Steph whose dedication and consummate ability was a treat. To have pleasure of taking a gold medal impala at 240yds with a gold medal kudu at 150yds

with a .375H&H off sticks is just what I wanted to do. At home we usually shoot prone so to use sticks was a very new experience."

"It was beyond my expectations. I really enjoyed the home feel of it. It made us feel like family!"

"Really Good If you are looking for a spa and a 'canned' hunt, then you may be disappointed. This is a working ranch that has a down to earth approach. You can expect honesty and fairness with a deep understanding of the terrain

and animals. It was a perfect trip."
