

Day 12

Transmission: 32:01

Music: [Sean Maher – Winter Wind](#)

This transmission brings the Light streams from the past and future to converge into the Now moment. As this moves through the interface portals, the energy begins to activate Light codes from your Multi-dimensional matrix into your Inter/Intra-dimensional energy bodies.

It is difficult to articulate what I am witnessing during this process. I sense we are accessing an entirely new matrix within the previously observed matrix; moving into a microcosm of the macrocosm, truly entering into a new level of inter/intra-dimensional systems of Light. This is the beginning of unlocking — or at least bringing the first level of activation with our matrix.

The experience may seem subtle, as the Light frequency is so refined. To watch, though, it is purely electric. Breathe and soak it all in as we go deeper into the matrix of Light.
