

Welcome!

It is an honor and a privilege to facilitate this series of Light activations.

As we enter the crown chakra, we explore the expansive nature of our connection to the wisdom of universal consciousness.

We are infinitely connected to the cosmos. As we evolve and expand our consciousness, our ability to navigate higher streams of Light consciousness becomes more fine-tuned.

This series helps to unlock, expand and reconnect the mechanics of your energetic systems, assisting you to integrate and interpret Light as knowledge, information and wisdom; guiding you to reach your highest potential in each Now moment.

Each day you receive a PDF explanation and MP3 activation to listen to at your leisure. It is best if you can listen during the 24 hour window. However, it is not required, as you need to follow your own intuition and guidance as to what is appropriate for you.

This is an experiential series. All that is required is a deep desire to remember your truth, love yourself as you are in the NOW moment; a willingness to release that which no longer serves you, and to breathe into the boundless opportunities which are your birthright as a Divine Being of Light.
