

2024 HIGH SCHOOL SUMMER PROGRAM

Join us for the volunteer opportunity of the summer!

This summer-long volunteer program is for current high school sophomores, juniors and seniors. It requires a commitment to 100 hours of service through various opportunities in the hospital setting. This also includes one week at Camp Prov, a summer camp for children with special needs and their siblings.

All applicants will need to apply by the deadline and, if accepted, attend one of the two Meet & Greets. The Meet & Greet is mandatory and a parent or guardian must attend with you. You will receive additional dates and deadlines at the Meet & Greet including due dates for Health Screenings and Background Checks, as well as what to expect during the program. We look forward to having you join us!
