April 2020

Ms. Emily, Mrs. Lillie

This month, we are eager to celebrate Easter. We will be doing a small Easter egg hunt in our courtyard, to the left of our classroom. (If the weather cooperates.) Also, we may be doing a sensory art project pertaining to the holiday. Another big event this month is Week of The Young Child. WOYC is the 12th through the 16th. We will be doing a lot of art to commemorate that special week. Please make sure you bring in extra clothes you do not mind getting a little bit of finger paint or other art materials on. If you do not have any, we can provide extras.

For those of you that have been here last year, you already know about class pictures. It takes place once a year, where we get a picture of the teachers and children all together. This month it will be April 20th. I will send out a reminder the day before on the baby grams.

Lastly, we are sad to say goodbye to Ms. Katelyn. We will miss her greatly and cannot wait to see pictures of when her baby is born. However, we would like to welcome Ms. Lillie. She has been our closer, but she will take over Ms. Katelyn's shift.

We hope you have a wonderful April, and we are looking forward to all the fun.

Sincerely,

Ms. Emily and Ms. Lillie
