Rehabilitation and Performance Medicine Chiropractic Referral Program

The Chiropractic Program at Swedish is one component of the care options available to our patients. Care is coordinated with all of the patient's providers to deliver evidence-based, value-driven results. This helps to ensure patient retention, improve quality and transparency, reduce treatment variances and reduce overall costs. Referral management is key to this program.

Providers within the Chiropractic Referral Program at Swedish can diagnose and treat the following conditions:

- Back and neck pain
- Peripheral joint pain
- Job injuries
- Motor vehicle accident injuries

Providers within the Chiropractic Referral Program at Swedish offer the following services:

- Evaluation and coordination of interdisciplinary treatment plans for simple musculoskeletal issues
- Joint manipulation
- Myofascial treatment through hands-on technique
- Home exercises for self-help techniques
- Basic posture and ergonomic instruction
