

# Anse Chastanet, St. Lucia

**October 14 thru 21, 2023**

Architect owner Nick Troubetzkoy believes passionately in nature. So he created a hotel that makes the foliage and the flowers, the perfumes and the peaks, the sea and the bird song an integral part of your vacation experience. The estate encompasses 600 lush tropical acres bordering two soft sand beaches. Not only do you get a World Heritage Site anchored by the twin peaks on land but the resort's two crystal-clear bays are part of a designated marine reserve protecting miles of colorful coral reefs teeming with tropical fish. Here at Anse Chastanet we are committed to providing you with the most memorable St. Lucia vacation experience possible. The hospitality of our St. Lucia resort team is legendary. Anse Chastanet is scenically one of the most spectacular beach resorts in St. Lucia and the ideal St. Lucia vacation destination.
