

August 3rd, 2023 Dive Club Meeting Summary

Just a few notes from last Dive Club meeting. First off thanks to everyone who attended. I think the safety devices talk was informative and many enjoyed the Dive club meeting only discounts for items. Our next meeting Sep 5th will be Full Face Mask Demo day (We will provide dive gear just bring snorkel gear).

We will also be offering a Dive club day discount on all FFM's. Aug 20th will be our Dive Club Dive at Paradise Springs.
