Weekend Class Information

This is the education department at the Woodlands Dive Center. Thank you for taking the plunge into the World of SCUBA Diving! Before your adventures begin there are a few things to remember for your SSI training course.

All our class and pool sessions are held at the Woodlands Dive Center I-45N. This is where we will get hands-on training with SCUBA equipment in our indoor heated pool and go over the information you learned before class online with SSI. Please bring your Swimwear and at least two towels. We have changing rooms for Men and Women. Please call us at **(281-367-6664)** if you have any questions regarding class scheduling or if you need to reschedule.

On your SSI training registration forms if you answer **YES** to questions 3, 5, or 10 on page 1 of the **Diver Medical form** or to **ANY** of the questions on page 2. You will need to have your physician approve, date, and sign the form to include an **MD** or **DO** with their signature. We are not permitted to accept the signature of a PA or Nurse Practitioner. Unfortunately, we will not be able to begin the water session until all the documents have been completed, collected and reviewed for accuracy. This is for your safety and the safety of your Dive Buddies.

When your classroom and Pool time is complete, we will then schedule our Open Water Dives. Usually, the following weekend. This is the final part of the training where you will meet up with your instructor to Dive 4 to 5 times in a large body of water over Two Days, Saturday, and Sunday. This is typically held at Blue Lagoon in Huntsville, TX on the Weekends. Times and dates will be determined by the instructor. We also recommend bringing your lunch and Extra towels. **Download the SSI App on Android or IOS**

Once your Dives are complete you will be issued your official SSI Digital Certification Card and the world is yours to DIVE.
