Uncrowded Bahamas Diving

Sail and dive where no one else goes – you won't see another boat for miles. On board, you'll have plenty of room to spread out as well. We host only 12 divers in double occupancy cabins, some cabins with private heads and showers.

No time limits

Say goodbye to rigid, chaotic group dives and arbitrary dive time limits. The only limit on your dives is your NDL and your gas consumption rate. You paid good money to go diving, so enjoy yourself!

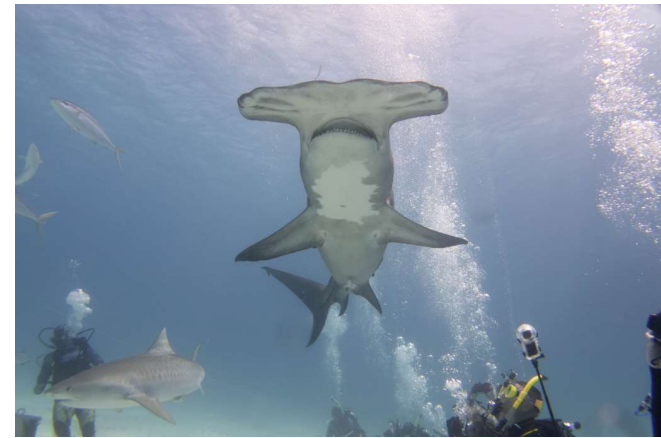

Direct from Miami!

Board the boat in Miami, FL, wake up in the Bahamas, it's that simple!

Guests onboard the Juliet often get to see dolphins while sailing...
