

APRIL 24-MAY 2, 2026

# SOCORRO!

One of our all time favorite trips, we'll be diving three remote islands located about 250 miles southwest of Cabo San Lucas: San Benedicto, Socorro and Roca Partida. These islands feature submerged sea mounts and cleaning stations, schooling fish, sharks, dolphins and mantas! And, with any luck, we'll see/hear Humpback whales as they migrant through the area. This is a trip we enjoy doing again and again!
