

Buddy Dive Resort

Bonaire

7/11-18/2026

Bonaire is renowned as the "Shore Diving Capital of the World," offering easy access to vibrant coral reefs and diverse marine life. With 89 dive sites, including 54 accessible from shore, it's a diver's paradise for both beginners and experienced divers. The island's calm, clear waters and consistent conditions make it ideal for gaining new certifications and enjoying underwater exploration. Sea conditions during this trip's time frame have historically been steady and calm with sea temperatures at an average of 84°F (29°C) and air temperatures approximately 89°F (31°C).
