Terms and Conditions

Divers must show proof of formal drysuit training to rent a Global Dive drysuit unless rental is made in conjunction with Global Dive Drysuit training. All drysuits must be inspected by diver and store staff prior to rental - attention must be paid to seals and zip. Drysuits to be returned in a clean condition and inspected by Global Dive prior to being checked back in. Correct donning, doffing and transportation procedures will prevent most damages to a drysuit. Ask a member of staff for a demonstration if unsure. All damages will be paid for by the diver renting the drysuit.
