

DIVE RAJA AMPAT

With Global Dive in 2027

Experience the world's final frontier of marine biodiversity. Located in the heart of the Coral Triangle, Raja Ampat is a breathtaking underwater kingdom home to over 1,400 species of fish and 75% of the world's coral. From the majestic dance of oceanic manta rays to the vibrant "hanging gardens" of soft purple corals, every submerged moment offers a glimpse into an untouched underwater world. Join Global Dive this 2027 for an unforgettable diving holiday.
