## IMPACT BY DESIGN

Impact By Design is a company committed to helping you achieve an authentic and purposeful foundation for your brand and/or business. We believe that when your brand represents the fullness of who you are, it is more powerful, empowering and sustainable.

We offer a unique combination of EQ (emotional intelligence) and strategy, designed to provide an atmosphere ripe for you to realize dynamic revelations about how you and your brand interact and communicate. Our trainings and services expedite your journey of self-discovery, propelling you to live life into the fullness of who you are, for the sake of others.

## PODCAST: BRAND REVELATIONS

Coming Spring, 2017

Brand Revelations: Dynamic Insights & Interviews to Empower You to Create an Authentic Brand is a new podcast filled with deep insights and personal disclosures from people who strive to express themselves authentically through their personal brand and offerings.

# SPEAKING/TEAM TRAININGS

As a Fascinate Certified Advisor, Andrea Wenburg, MA blends psychology and marketing to help you create your personal anthem (tagline), discover your secret sauce (style) and develop your superpower (strengths) into a creative contribution (offering) that bridges the gap between you and the needs of others. She guides groups and retreat or workshop participants to:

- Grow in self-awareness & self-confidence
- Find renewed purpose and power in their relationships, ministry and career
- Activate the differences in their personality and gifts to use them more fully for the good of the group
- Gain perspective and communication skills for better group dynamics

An advocate for authentic relationships and impact in the world, Andrea delivers a powerful message to help your audience overcome internal obstacles like fear, doubt, negative self-talk and the constant need for validation.

## FORMAT FOR EVENTS

Andrea offers a variety of format options and works closely with you to understand and address the unique relational and emotional needs of your audience so you can focus on the job at hand.

- 45-60 minute keynote speech or school assembly (30 minute times are available for an interactive presentation for younger children. You'll really see the inner music teacher come out with the elementary kids!)
- 2 hour or 1 day Workshop
- 2 Day Retreat

## TESTIMONIALS

"Andrea really listened to what I had to say prior to the presentation and it was evident in the information she presented to us. Topics, advice, suggestions, and encouragement that was customized for us! Andrea is using her gifts of compassion, listening, and leading to empower others to be the best versions of themselves."

**AMBER LARSON, TEAM LEADER AND RETREAT PLANNER**

"Andrea was great to work with. She was pleasant in communication and prompt in providing information and graphics needed during the planning process. Andrea's presentation had great content and her follow-up guide was an excellent tool to assist attendees in processing the message on a deeper level. I definitely recommend utilizing her gifts and talent for future events!"

**SUSAN HAGEMAN, EVENT CHAIR**

"Andrea is an amazing listener. She listens with purpose. I felt very understood and known. She helped me see that my voice and perspective mattered. She gave me concrete strategies to help me put my abstract ideas into action. Andrea has a gift, and she will help you discover yours."
