

MY SINCERE DECISION

Revelation - Jerusalem Conferences

- I recognize the need for a "spiritual rescue in my life" and I ask God for strength to do His will and prepare me for the glorious day of Christ's return.
- I want to invite the Lord Jesus into my life and ask Him to forgive me and cleanse me of my sins.
- I want to ask God to open my eyes just as He opened the eyes of the blind man that He sent to the pool of Siloam, so that I may see His will in my life and be able to understand the Sacred Scriptures.
- I want to study the Bible through a Bible Course and prepare myself for the Second Coming of Jesus
- I ask for prayers for myself and my family
- I would like to have a Pastor or his assistant visit me for a personal dialogue.
