

## 6. Your Loving Choice

Upon a cross, you decided  
to give your life for me  
From the pain and tears and death  
you came to free me  
You were beaten and mistreated-  
all for me  
You did it all because of love  
What matchless love

Saving me was your loving choice  
Saving me was your great mission  
You gladly took my burden away  
You're the solution for all of my needs  
Name above all names Jesus

## 7. Waiting for the prayer

Let us close our eyes,  
and fold our hands together,  
and wait upon the prayer  
so quietly and softly.

## 8. God Is Saying: Walk With Me

*God is saying-  
Walk with me,  
Walk by my side,  
Walk with me,  
Walk by my side.*

He is the God of love,  
He gave His only son,  
To die upon the cross  
For you and for me.

Jesus invites you now,  
To give your heart to Him,  
And He will live in you  
Live in your heart, your heart,  
your heart, your heart  
*God is saying  
Walk with me, walk by my side,  
Walk with me, walk by my side,  
Walk with me, walk by my side.*

## 9. Oh What Joy!

Oh what joy, oh what joy, do I have, in this day.  
Oh what joy, oh what joy, do I have, in this day.

*//For I was sing, la la la la,  
and smile for you, ha ha ha ha,  
for I wil study...Mmmmmm,  
and then enjoy Ahhhh//*

Greeting those who are beside me;  
making friends with those that I see,  
turn around that will I do,  
to say hi to you.

## 10. Maybe

Sometimes I want to believe,  
I'll do things on my own,  
that nothings in my way.  
Foolishly I start to doubt,  
God's presence all throughout,  
alone I cry out loud.  
Show me Lord I pray,  
my weakness today,  
Lord I ask you to forgive me.

Change my heart O lord,  
guide me in your truth,  
give me of your love...  
mold me in your grace.  
Wash me clean my God,  
give me freedom now  
from my sinful life,  
please stand by my side.

## 11. May My Everything Be You

My dear lord, may my life be all of you, may  
my everything be you; my breathing in,  
and walking out, and nourishment,  
may my everything be you.

Your true word, will direct me where I go, it  
shows me all your truth; it corrects me, and  
consoles me, and it teaches me  
that my everything is you.

## 1. Welcome

Welcome my friends, how are you?;  
boys and girls I'm greeting you,  
saying welcome all my friends.

*//I am happy, oh what joy, full of gladness  
I rejoice... so excited to be here.//*

With my friends we ran and came  
so excited to come pray;  
what a joy to be together.

Our dear Father God we pray,  
take us in your hands today,  
as we live sing and learn together

## 2. Hallelu, Hallelu, Hallelujah

*Hallelu, hallelu, hallelujah  
Hallelu, hallelu, hallelujah  
Hallelu, hallelu, hallelujah  
Christ is living within my heart.*

Sadness, sadness and pain  
Are no longer in my heart  
Since my Jesus came to stay  
*Hallelu, hallelu, hallelujah  
Hallelu, hallelu, hallelujah  
Hallelu, hallelu, hallelujah  
Christ is living within my heart*

Gladness, gladness and joy  
Will always be in my heart  
Since my Jesus came to stay

## 3. He is great

How great is He and His power for me,  
we are gathered together right now  
praising him.

*Lord, Jesus, I give my life to you right now,  
my heart to you.*

*Thank you for suffering so much for me,  
and loving me.*

*Ooo Ooo Ooo Ooo Ooo Ooo Ooo Ooo*

Faithful is He. I am lost without his light.  
I am at your feet to pray earnestly.

## 4. Sorry Lord

Bad words and lying to others,  
big fights and so much more;  
all these evil things I do,  
I do them more and more.

*//Sorry, sorry Lord for all my sins,  
thank you God for granting me forgiveness. //*

My sins, O sins, O sins,  
get out get outright now;  
my Lord I ask you  
to help me to not do them again.

## 5. If you love Jesus

Oh, if you love Jesus, sing for him today.  
Oh, if you love Jesus, simply do obey.  
Do not fight, or say lies, treat others with love.  
Do not steal neither push....become like Jesus.
