<b>Disclosure Chart</b>	Type of Product	Fixed Rate		
	Contract Term	12 months		
	Do I have a termination fee or any fees associated with terminating service?	Yes. Entrust Energy will charge a \$ 150.00 Early Termination Fee if Customer terminates the Contract. In the case of a Switch, the Early Termination Fee applies after the 3-day rescission period and prior to the end of the Term. This fee does not apply if Customer moves and provides a forwarding address and other evidence that may be requested to verify that the Customer has moved, as further explained in the Terms of Service.		
	Can my price change during the contract?	Yes.		
	If my price can change, how will it change and by how much?	The price applied may be different from the price in this EFL if there are changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside of our control.		
	What other fees may I be charged?	See Terms of Service for a full listing of fees, deposit policy, and other terms.		
	Is this a pre-pay or pay in advance product?	No.		
	Does Entrust Energy purchase excess distributed renewable generation?	No.
