Bearj Jehanian

SUCCESS SPEAKER AND ATTITUDE TRAINER

A trained teacher and natural motivator, Bearj Jehanian offers a unique perspective, incorporating *motivation into his teaching* **and** *teaching into his motivation*, giving his audience an **exclusive arsenal of tools** to use in their climb to success.

Trained by top leaders in the industry, Bearj has studied with the likes of Les Brown, Brendon Burchard, James Malinchak, Tom Schreiter and Blair Singer.

Dynamic, Exciting and ***Engaging***, Bearj discovered his love of motivating in his 20's, after he saw a PBS special featuring the now world famous speaker, Les Brown. He immediately began his journey following the same path. While still a high school band director, Bearj cultivated his love of motivational speaking, using music as the vehicle to inspire the students in his high powered band program to achieve lofty goals.

Living by his own words, Bearj made the bold decision to leave his comfortable job as a teacher and pursue his dream of being a motivational speaker.

In addition to speaking appearances, Bearj has developed online training courses which help entrepreneurs, salespeople, and small business owners hone their speaking and communication skills.

Bearj has spoken for Corporations, Universities, Schools, and Conferences. Some of his past speaking events include, *KinderCare, Stream, Tarrytech, Alfa Laval, The Harris School of Business* and *Delaware County Community College*.

Currently, Bearj is working on a book project and online course, to compliment his keynote, "**BREAK DOWN the WALLS to SUCCESS**".
