Caring Pillar

We are learning about caring! The Caring Pillar is red. It reminds us: Show your heart in everything you do. Remember, others have big hearts, too!

Here are some things you can do at home:

- **Make a Caring Pillar.** You can use the Pillar on the back of this page. You and your child can color or paint the Pillar red. Put the Pillar somewhere you will see it often. Talk about the Pillar and how it helps us remember to be caring.
 - Make hearts.
 - Draw a heart. You and your child can color it red!
 - Fold the paper and draw half a heart starting at the fold. Help your child cut on the line.
 - Open the paper to see the heart you have made!!!
- **Decorate your house with hearts.** Or give hearts to friends and family to help remind them to be caring!
- **Learn a song.** Here is a song about caring. Sing it to the tune of “Are you sleeping?”

I am caring, I am caring.
So are you, so are you.
We help all our neighbors.
We help all our friends.
Yes, we do! Yes, we do!
