

UNITED STATES DISTRICT COURT FOR THE CENTRAL DISTRICT OF CALIFORNIA

**If you bought or leased a Hyundai with a panoramic sunroof,
you could benefit from a class action settlement.**

A federal court authorized this notice. This is not a solicitation from a lawyer.

- The settlement will provide a 10-year, 120,000-mile extended warranty for repairs related to sunroof shattering.
- Class members can also claim full reimbursement of their shattered-sunroof repair costs (including rental car and towing costs). Those who experienced the shattering firsthand can claim an additional \$200 payment. A \$1,000 rebate (or alternative compensation) can be claimed by those who promptly trade in (or sell) their vehicle.
- To qualify you must have bought or leased a Class Vehicle, as defined in Section 6.
- Your legal rights are affected whether you act or don't act. Read this notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
SUBMIT A CLAIM FORM	The <u>only</u> way to get a payment. (It is <u>not</u> necessary to submit a claim form to receive the warranty extension.)
EXCLUDE YOURSELF	Get no payment or warranty extension. This is the only option that allows you to ever be part of any other lawsuit against Hyundai about the legal claims in this case.
OBJECT	Write to the Court about why you don't like the settlement.
GO TO A HEARING	Ask to speak in Court about the fairness of the settlement.
DO NOTHING	Get no payment. Give up rights (except for the warranty extension, which class members will receive automatically).

- These rights and options—**and the deadlines to exercise them**—are explained in this notice.
- The Court in charge of this case still must decide whether to approve the settlement. Payments will be made if you meet all the requirements to receive such payments and the Court approves the settlement, and after appeals are resolved. Please be patient.

BASIC INFORMATION

1. Why did I get this notice package?

According to Hyundai records, you bought or leased a Class Vehicle (see list of vehicles below in Section 6) in the United States, excluding the territories, or abroad while on active military duty.

The Court has ordered this notice be sent to you because you have a right to know about a proposed settlement of a class action lawsuit and about your options, before the Court decides whether to approve the settlement. If the Court approves the settlement and you meet the requirements to obtain payments and other benefits, and after objections and appeals are resolved, Hyundai will provide payments and other benefits that the settlement allows. You can be informed of the progress of the settlement by calling the toll-free number or visiting the website listed at the bottom of this page.

This notice explains the lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Court in charge of the case is the United States District Court for the Central District of California, and the case is known as *Glenn v. Hyundai Motor America*, No. 8:15-cv-02052-DOC. The people who sued are called the Plaintiffs, and the companies they sued, Hyundai Motor America and Hyundai Motor Company (together “Hyundai”), are called the Defendants.

2. What is this lawsuit about?

The lawsuit claimed that Hyundai made and sold vehicles with a defect that can cause their panoramic sunroofs to shatter. The lawsuit claimed that the shattering can happen when the vehicles are parked or being driven, and that the shattering often happens suddenly, makes a loud noise, and can cause glass to fall down into the passenger cabin.

Hyundai denies that there is any defect in its panoramic sunroofs. Hyundai states that (i) it has been notified by a very small percentage of Class Vehicle owners and lessees that their vehicle’s panoramic sunroof shattered while parked or driving; (ii) there is no evidence that these shatterings were caused by anything other than impact from road debris and other road hazards; (iii) Hyundai does not believe that the shattering poses a safety issue – Hyundai has received no reports of accidents or serious injuries and the sunroofs are made with tempered safety glass, which is designed to break into small rounded pieces; (iv) Hyundai has an interest in its customers’ satisfaction and has therefore agreed to the settlement benefits listed in this notice; and (v) in the event of incident, Class Vehicle owners and lessees can call Hyundai for assistance.

3. Why is this a class action?

In a class action lawsuit, one or more persons, called Class Representatives (in this case Billy Glenn, Roxana Fitzmaurice, Kim Fama, Kathy Warburton, Jahan Mulla, and Corinne Kane), sue on behalf of people who have similar claims. All these people are a Class or Class Members. One court resolves the issues for all Class Members, except those who exclude themselves from the Class. U.S. District Judge David O. Carter is in charge of this class action.

4. Why is there a settlement?

The Court did not decide in favor of Plaintiffs or Defendants. Instead, both sides agreed to a settlement. That way, they avoid the cost of a trial, and the people affected will get compensation. The Class Representatives and their attorneys think the settlement is best for everyone who bought or leased a Class Vehicle.

To see if you will get money or other benefits from this settlement, you first have to decide if you are a Class Member.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am part of the settlement?

Judge Carter decided that everyone who fits this description is a Class Member: *All owners and lessees of a Class Vehicle who purchased or leased a Class Vehicle in the United States, excluding its territories, and all owners and lessees of a Class Vehicle who purchased or leased a Class Vehicle abroad while they were on active military duty.*

The complete list of Class Vehicles can be found below, in Section 6.

Not included in the Class are Hyundai; any affiliate, parent, or subsidiary of Hyundai; any entity in which Hyundai has a controlling interest; any officer, director, or employee of Hyundai any successor or assign of Hyundai; any judge to whom this Action is assigned, his or her spouse, and all persons within the third degree of relationship to either of them, as well as the spouses of such persons; anyone who purchased a Class Vehicle solely for the purpose of resale (*e.g.*, new or used car dealerships); and any Class Member who files a timely and proper Request for Exclusion from the Class.

6. Which Hyundai vehicles are included?

In this settlement, Class Vehicle means any of the following vehicles that came factory-equipped with a panoramic sunroof: (i) 2011-2016 model year Sonata Hybrid, (ii) 2010-2016 model year Tucson, (iii) 2012-2016 model year Sonata, (iv) 2012-2016 model year Veloster, (v) 2013-2016 Santa Fe, (vi) 2013-2016 Santa Fe Sport, (vii) 2013-2016 Elantra GT, (viii) 2012-2016 model year Azera, and (ix) 2015-2016 model year Genesis.

7. If the sunroof on my Class Vehicle hasn't shattered, am I included?

Yes. Your sunroof doesn't have to have shattered for you to be part of this settlement. The Class includes all those who bought or leased a Class Vehicle. The Class includes all those who have experienced Class Vehicle sunroof shattering. The Class also includes those who have not experienced shattering. The settlement includes an extended warranty for future sunroof shattering issues and also provides compensation for certain vehicle trade-ins and sales.

8. I am still not sure if I'm included.

If you are still not sure whether you are included, you can ask for free help. You can visit the website at www.PanoramicSunroofSettlement.HyundaiUSA.com. You can also call 1-866-944-7620 and ask whether you are included in the settlement.

This notice summarizes the proposed settlement. For the precise terms and conditions of the settlement, please see the settlement agreement available at www.PanoramicSunroofSettlement.HyundaiUSA.com, by contacting Plaintiffs' attorneys at www.ClassLawGroup.com, or by accessing the Court docket in this case, for a fee, through the Court's Public Access to Court Electronic Records (PACER) system at <https://ecf.cand.uscourts.gov>.

SETTLEMENT BENEFITS – WHAT YOU GET

9. What can I get from the settlement?

Hyundai has agreed to provide the following benefits under the settlement:

A. Warranty Extension

Hyundai is extending its New Vehicle Limited Warranty to cover panoramic sunroof shattering in Class Vehicles for 10 years and 120,000 miles (whichever comes first) from the original sale or lease of the vehicle.

The extended warranty will cover all costs of repairs, replacements, diagnoses, and inspections resulting from sunroof shattering, including damage sustained to exterior paint and interior upholstery.

Hyundai dealerships will provide a free loaner vehicle if requested. If no loaner vehicle is available, Hyundai will provide full reimbursement of reasonable rental car expenses. (See below for how to make a claim for rental car reimbursements.)

Extended warranty coverage will not be denied on the grounds that the sunroof shattered due to non-intentional contact with road debris. But coverage will not apply to any glass breakage that was directly caused by the intentional application of force, intentional contact, or intentional impact by a foreign object or person on the panoramic sunroof glass.

The warranty extension will continue even if ownership of the vehicle changes hands.

Although the settlement benefits do not formally take effect until after the Court grants final approval, beginning immediately Class members can present their vehicles to Hyundai dealerships for free repairs in the event they experience a shattered sunroof. However, by obtaining such free repairs, you will be barred from later excluding yourself from the Class.

B. Reimbursement for Repairs

Money that Class members reasonably spent on prior Class Vehicle sunroof-shattering repairs will be reimbursed in full, subject to the following requirements:

- a. You must have obtained and paid for the repair before receiving notice of this settlement.
- b. You must submit a valid Claim, including proof of repair expenses, no later than July 25, 2019. (See Section 10 below for how to submit a Claim.)

As with the extended warranty, reimbursements will be for all costs of repairs, replacements, diagnoses, and inspections resulting from sunroof shattering, including damage sustained to exterior paint and interior upholstery.

You can claim a payment for repair reimbursement regardless of whether your repairs were performed at a Hyundai dealership or by some other repair facility.

You can also claim a payment for reimbursement of your insurance deductible payment, if applicable.

You can also claim a payment for repair reimbursement even if warranty coverage was previously denied on grounds that the sunroof shattering resulted from non-intentional contact with road debris.

C. Reimbursement for Rental Cars, Towing, Etc.

Money that Class members reasonably spent on rental cars, towing services, and similar services in connection with the shattering of a Class Vehicle sunroof will also be reimbursed in full, based on the following requirements:

- a. You must have incurred the costs in connection with a shattered-sunroof repair, before receiving notice of this settlement.
- b. You must submit a valid Claim, including proof of repair-related expenses, no later than July 25, 2019. (See Section 10 below for how to submit a Claim.)

D. Compensation for Experiencing the Shattering Firsthand

Class members who experienced shock, surprise, inconvenience, or some other harm as a result of being inside a Class Vehicle when its sunroof glass shattered can claim a payment of \$200, based on the following requirements:

- a. The sunroof must have shattered before you received notice of this settlement.
- b. You must submit a valid Claim no later than July 25, 2019. (See Section 10 below for how to submit a Claim.)

E. Compensation for the Trade-in or Sale of a Class Vehicle

Class members who lose confidence in their Class Vehicle's panoramic sunroof after receiving notice of this Settlement and therefore no longer wish to continue owning or leasing their Class Vehicle can submit a claim for a \$1,000 trade-in rebate, based on the following requirements:

- a. You must trade in your Class Vehicle at a Hyundai dealership and must purchase a new Hyundai vehicle that is not equipped with a panoramic sunroof as part of the same transaction.
- b. You must submit a valid Claim no later than 90 days after the trade-in transaction. (See Section 10 below for how to submit a Claim.)

Alternatively, if you would otherwise qualify for the trade-in rebate except that you do not wish to purchase another Hyundai vehicle, you may participate in an alternative dispute resolution process. Under this process, Hyundai may within 30 days contact you to attempt to resolve your claim by agreement; if that does not succeed, your claim will be considered by a BBB arbitrator, who will determine whether you are entitled to compensation. The maximum compensation available through this process is \$600. To participate:

- a. You must sell your Class Vehicle and buy or lease another vehicle by July 25, 2019.
- b. That newly purchased or leased vehicle cannot be a Hyundai vehicle or have a panoramic sunroof.
- c. Your sale of your Class Vehicle must be in an arms-length transaction (meaning not to someone you know), for a price that represents the fair market value of the Class Vehicle (*i.e.*, at least 80% of the Kelley Blue Book trade-in value for the vehicle year, make, and model, in fair condition).
- d. You must submit a valid Claim no later than 30 days after your purchase or lease of the non-Hyundai vehicle.

If you receive compensation for trading in or selling your Class Vehicle, the payment may be made to you before the Court has had the opportunity to grant final approval of this settlement. As a result, you will need to sign an individual release that makes clear that you are giving up the same legal claims as other Class members in exchange for the rebate, and you will be barred from excluding yourself from this settlement.

F. Informational Brochure

Hyundai will distribute an informational brochure to all owners and lessees of Class Vehicles about the sunroof shattering that is the subject of this lawsuit. The brochure will be a separate, color-printed document that can be kept with your owner's manual.

HOW YOU GET A PAYMENT—SUBMITTING A CLAIM FORM

10. How can I get a payment?

Other than the extended warranty (which Class members will receive without the need for submitting a claim), to qualify for a payment, you must send in a [claim form](#) by the applicable deadline(s) listed in Section 9. You can get a claim form at www.PanoramicSunroofSettlement.HyundaiUSA.com, or by calling 1-866-944-7620. Follow all of the instructions on the claim form.

You can submit your claim electronically [here](#) or by mail to the address listed on the claim form. Please keep a copy of your completed claim form and all documentation you submit for your own records.

The (electronic or hard copy) paperwork that you need to provide with your claim form varies depending on what payments you are claiming:

A. Repair Reimbursements

Along with your claim form, submit the document(s) generated at or around the time you paid for your repair that identifies (i) the type of repair, (ii) the date it was performed, and (iii) the cost incurred. For the cost incurred, the paperwork might include a credit card receipt or statement, or a bank statement showing a payment to the dealership. If you paid cash, you can state the amount on the claim form and attest under penalty of perjury that you do not have a repair receipt showing the payment.

Note: For repairs performed at Hyundai dealerships, Hyundai will work to acquire much of the needed documentation directly from the dealership on your behalf. However, Hyundai will not be able to confirm that you (or someone on your behalf) paid for the repair – so please provide that type of document (e.g., a credit card statement or check) if you have one.

The deadline for submitting these claims is July 25, 2019.

B. Reimbursement for Rental Cars, Towing, Etc.

Along with your claim form, please submit any document(s) generated at or around the time that expense was incurred for a rental car, towing service, or other out-of-pocket expense in direct conjunction with obtaining a Class Vehicle shattered sunroof repair, which identifies (i) the expense incurred for a rental car, towing service, or other out-of-pocket expense, (ii) the date the expense was incurred, and (iii) the dollar amount. In addition, your documentation must show that you obtained a shattered sunroof related repair for a Class Vehicle (see subsection “A” right above for details).

The deadline for submitting these claims is July 25, 2019 unless your claim is for rental car or towing costs incurred in the future for an extended warranty repair, in which case you have 90 days from incurring those costs.

C. Compensation for Experiencing the Shattering Firsthand

Along with your claim form, please submit either your repair-related documentation (see subsection A above) or some other documentation that shows that your Class Vehicle’s sunroof shattered. The completed Claim Form must include an attestation by the Class member that the Class member experienced shock, surprise, inconvenience, or some other harm from the panoramic sunroof glass breakage while the Class member was inside the Class Vehicle.

The deadline for submitting these claims is July 25, 2019.

D. Compensation for the Trade-in or Sale of a Class Vehicle

For those wishing to claim the available \$1,000 rebate: Along with your claim form, please submit the documentation generated at or around the time you traded in your Class Vehicle that shows (i)

that the trade-in transaction happened between April 26 and July 25, 2019, (ii) that you owned or leased the Class Vehicle traded in, (iii) the purchase of a new Hyundai vehicle not factory-equipped with a panoramic sunroof in connection with the same transaction, and (iv) the date of the transaction.

For those wishing to forego the \$1,000 rebate and instead participate in alternative dispute resolution: Along with your claim form, please submit the documentation generated at or around the time you sold or traded in your Class Vehicle that shows (i) that the sale or trade-in transaction happened between April 26 and July 25, 2019, (ii) that you owned or leased the Class Vehicle sold or traded-in, (iii) the purchase of a non-Hyundai vehicle not factory-equipped with a panoramic sunroof, (iv) the dates of the two transactions, and (v) the sales (or trade-in) prices associated with both transactions.

11. When would I get my payment?

The Hon. David O. Carter, U.S. District Judge, will hold a Fairness Hearing on August 26, 2019, at 8:30 a.m. in Courtroom 9D at the U.S. District Court for the Central District of California, 411 West Fourth Street, Santa Ana, CA 92701, to decide whether to approve the settlement. (The hearing may be rescheduled without further notice. To obtain updated scheduling information, see the www.PanoramicSunroofSettlement.HyundaiUSA.com.) If the Court approves the settlement, there may be appeals afterwards. It is always uncertain whether these appeals can be resolved, and resolving them can take time, perhaps more than a year. Please be patient.

Compensation for trade-ins and sales may be made before the settlement is granted final approval as discussed in Section 9-E above.

12. What am I giving up to get the warranty extension and/or payments, or to stay in the Class?

Unless you exclude yourself, you are staying in the Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against Hyundai or related entities or individuals (listed in the Settlement Agreement, which you can view at www.PanoramicSunroofSettlement.HyundaiUSA.com) about the legal issues in *this* case. It also means that all of the Court's orders will apply to you and legally bind you. If you sign the claim form and receive compensation for a trade-in or sale of a Class Vehicle, you will agree to a "Release of Claims," described on the claim form, which describes exactly the legal claims that you give up if you get settlement benefits.

Nothing in this settlement will prohibit you from pursuing claims for: (i) personal injury, including death, except for claims for shock, surprise, annoyance, and inconvenience or similar harm resulting from having witnessed sunroof shattering unaccompanied by any physical injury, or (ii) damage to any tangible property owned by a third party.

If you have any questions about the scope of the legal claims you give up by staying in the Settlement Class, you may view Section VI of the Settlement Agreement (available at www.PanoramicSunroofSettlement.HyundaiUSA.com) or you contact the lawyers representing the Class:

EXCLUDING YOURSELF FROM THE SETTLEMENT

If you don't want a payment from this settlement or the warranty extension, but you want keep the right to sue or continue to sue Hyundai, on your own, about the legal issues in this case, then you must take steps to get out. This is called excluding yourself—or is sometimes referred to as opting out of the settlement Class.

13. How do I get out of the Settlement?

To exclude yourself from the settlement, you must send a letter by mail saying that you want to be excluded from *Glenn v. Hyundai Motor Am.*, No. 8:15-cv-02052-DOC. Be sure to include your name, address, telephone number, Vehicle Identification Number (“VIN”) of your Class Vehicle (which is located on a placard on the top of the dashboard visible through the driver’s side corner of the windshield), and signature. You must mail your exclusion request postmarked no later than June 25, 2019, to:

Class Counsel	Defense Counsel
<p>David Stein GIBBS LAW GROUP LLP 505 14th Street, Suite 1110, Oakland, California 94612</p>	<p>Carlos M. Lazatin O'MELVENY & MYERS LLP 400 South Hope Street, 18th Floor Los Angeles, California 90071</p>

You can't exclude yourself on the phone or by e-mail. If you ask to be excluded, you will not get any settlement payment, you will not receive the warranty extension, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit. You may be able to sue (or continue to sue) Hyundai in the future.

14. If I don't exclude myself, can I sue Hyundai for the same thing later?

No. Unless you exclude yourself, you give up the right to sue Hyundai for the claims that this settlement resolves. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately. You must exclude yourself from *this* Class to continue your own lawsuit. Remember, the exclusion deadline is June 25, 2019.

15. If I exclude myself, can I get money or other benefits from this settlement?

No. If you exclude yourself, do not send in a claim form to ask for any reimbursement and do not seek repairs under the settlement's warranty extension. But, you may sue, continue to sue, or be part of a different lawsuit against Hyundai.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer in this case?

The Court asked Eric H. Gibbs and David Stein of the law firm Gibbs Law Group LLP and Kim D. Stephens and Jason T. Dennett of the law firm Tousley Brain Stephens PLLC to represent you and other Class members. Together, the lawyers are called Class Counsel. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

17. How will the lawyers be paid?

Class Counsel will ask the Court for attorneys' fees and expenses up to \$5,400,000, and a payment of \$5,000 each for the six named Class Representatives, Billy Glenn, Roxana Fitzmaurice, Kim Fama, Kathy Warburton, Jahan Mulla, and Corinne Kane (each of whom sat for a deposition and participated in the litigation over the last three years). The Court may award less than these amounts. Hyundai will separately pay the fees and expenses that the Court awards. These amounts will not come out of the funds for payments to Class members. Hyundai will also separately pay the costs to administer the settlement.

OBJECTING TO THE SETTLEMENT

You can tell the Court that you don't agree with the settlement or some part of it.

18. How do I tell the Court that I like or dislike the settlement?

If you are a Class member, you can object to the settlement if you don't like any part of it. You can give reasons why you think the Court should not approve it. The Court will consider your views.

To object, you must submit a letter saying that you object, at the address contained in this Notice, saying that you are objecting to the settlement in *Glenn v. Hyundai Motor Am.*, No. 8:15-cv-02052-DOC. You must include: (i) your full name, current address, and current telephone number; (ii) the model year and VIN of your Class Vehicle(s); (iii) a statement of your objection, including all supporting factual and legal grounds; (iv) a statement of whether your objection applies only to you, to a specific subset of the Class, or to the entire Class, (iv) copies of any documents you wish to submit in support; (v) your signature and the date of the objection, and (vi) a list of any other objections submitted by you, or any lawyer assisting you, to any class action settlements submitted in any court in the United States in the previous five years (and if you or your counsel have made no such objections, you must affirmatively so state).

If you intend to appear, in person or by counsel, at the final approval hearing, you must so state in your objection. Any failure to do so, or otherwise comply with the requirements listed, may be

treated as a waiver of your objections to the settlement and can lead to you being barred from speaking or otherwise presenting any views at the final approval hearing.

Lawyers asserting objections on behalf of Class members must: (a) file a notice of appearance with the Court by June 25, 2019; (b) file a sworn declaration attesting to his or her representation of each Class Member on whose behalf the objection is being filed or file (in camera) a copy of the contract between that lawyer and each such Class Member; and (c) comply with the procedures described in this notice.

Submitting an objection allows Class Counsel or counsel for Hyundai Motor America to notice your deposition and to seek any documentary evidence or other tangible things that are relevant to your objection. Failure to make yourself available for such a deposition or comply with expedited discovery requests may result in the Court striking your objection or denying you the opportunity to be heard. The Court may require you or your counsel to pay the costs of any such discovery should the Court determine the objection is frivolous or made for improper purpose.

Mail the objection postmarked no later than June 25, 2019, to:

Class Counsel	Defense Counsel
David Stein GIBBS LAW GROUP LLP 505 14th Street, Suite 1110, Oakland, California 94612	Carlos M. Lazatin O'MELVENY & MYERS LLP 400 South Hope Street, 18th Floor Los Angeles, California 90071

19. What is the difference between objecting and excluding?

Objecting is simply telling the Court that you don't like something about the settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class and the settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the settlement. You may attend and you may ask to speak, subject to the requirements above, but you don't have to.

20. When and where will the Court decide whether to approve the settlement?

The Court will hold a Fairness Hearing at 8:30 a.m. on August 26, 2019, in Courtroom 9D at the U.S. District Court for the Central District of California, Southern Division, 411 West Fourth Street, Santa Ana, CA 92701. At this hearing the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections, the Court will consider them. Judge Carter will listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Class Counsel. After the hearing, the Court will decide whether to approve the settlement. We do not know how long these decisions will take.

The hearing may be rescheduled without further notice to you. Updated scheduling information will be available at www.PanoramicSunroofSettlement.HyundaiUSA.com.

21. Do I have to come to the hearing?

No. Class Counsel will answer questions Judge Carter may have. But, you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time and complied with the above specifications, the Court will consider it. You may also pay your own lawyer to attend, but it's not necessary.

22. May I speak at the hearing?

You may ask the Court's permission to speak at the Fairness Hearing, as discussed above. To do so, you must follow the specifications above, including by stating in your objection that you intend to appear, either in person or by counsel. You cannot speak at the hearing if you excluded yourself.

IF YOU DO NOTHING

23. What happens if I do nothing at all?

If you do nothing, you will receive the warranty extension but you'll get no money from this settlement. But, unless you exclude yourself, you won't be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against Hyundai about the legal issues in this case, ever again.
