

## What is a Demonstrator?

Demonstrators run their own home-based business selling creative products that inspire people and give them helpful ways to enhance their lives. And they get to work with customers and hosts to give great parties that introduce new people to Stampin' Up!

Demonstrators enjoy constant support and ideas from Stampin' Up!, making their work easier, more beautiful, and ... an absolute blast.

## The Low-Down on Joining

We're just right for you if you like:

- Making your own schedule
- Adapting your workload to fit your family's needs
- Forging new relationships with amazing people
- Having a go-to creative outlet that you can share with others
- Getting discounts on wonderful products
- Making extra money

## Joining is Easy

We know you're busy, so we made the signup process easy. Starter kits are a doable \$135 and you can reduce that price with Stampin' Rewards from a home party. Plus, you can completely customize the kit to suit your individual needs and taste. You get to choose what products you want to start with and what type of business supplies you want. Then we'll ship the kit right to your door.

If you have more questions, feel free to contact me or if you're ready, click the "Join Now" button, under **Business Info/Join My Team** at:

## About Stampin' Up!

At Stampin' Up! we are excited to share our exclusive line of decorative rubber stamp sets and accessories for handmade cards, scrapbooking, craft projects, and home decor!

## Worldwide

Since 1988, our wide assortment of rubber stamps, stamping techniques, and designs have been helping crafters discover and express their creativity. Stampin' Up! products are known world-wide for their quality and popularity. These great products will be a key factor in your success as a demonstrator.

Stampin' Up! products are not sold in stores, but may be purchased through a network of independent consultants called demonstrators. Currently there are over 40,000 Stampin' Up! demonstrators from all over the world including Canada, the US, Europe and Australia. Stampin' Up! is a member of the Direct Sellers Association.

Stampin' Up! operates two state-of-the-art facilities: an 80,000-square-foot manufacturing plant in Kanab, Utah, and a 300,000-square-foot home office and distribution centre in Riverton, Utah. The Stampin' Up! Canadian office is in Calgary, Alberta.
