

# You're Invited!

In honour of my birthday in  
August, I'm holding  
a virtual party.  
Join the party and get gifts!

Jenn

## How it Works:

It works because grouping together orders gets bigger rewards.

Ten people participate, each placing a \$100\* order. And then I will split the order benefits with all the party-goers!

**Everyone** who orders will get 1 of 2 gift options.

*\*\$100 order does not include taxes/shipping/coupons*

## What are the Gift Options?

- 8 party-goers will get to pick out their choice of \$20 in free product (this is tax free and shipping free so worth almost \$25)\*
- 2 party-goers will get a half-price item of their choice\*\*
- Gift options will be assigned by random draw.

*Normally you can only achieve these perks:*

*\*with an order over \$200 or*

*\*\*with an order over \$550*

## In addition, each Party-Goer gets:

- A handstamped card from me
- An option to have orders & prizes shipped direct or picked up in Burlington

## Imagine ...

- ...A Big Shot at 50% off - save over \$68!
- ...All our markers at 50% off - save \$73!
- ...Your choice of any \$20 worth of products, including hostess sets.
- ....a Bundle off your wish list with \$20 off...

## How do I 'go' to the Party?

1. Let me know you want to be one of the ten virtual party-goers. **RSVP by August 14th.**
2. By **August 21st**, email me with:
  - your \$100 order
  - your pick for a half-price item
  - your pick for \$20 in free product
  - your choice for which prize you prefer (no guarantees on what you might get).
4. On August 22nd, I'll do a random draw for prizes. Check your email to see what you've won.
5. Wait for your products & gifts to arrive! Happy Birthday to us!

**Questions or RSVP to**
