KCMBA Announces New Affinity Partner Complete Legal, Official eDiscovery Partner of KCMBA

Kansas City Metropolitan Bar Association (KCMBA) is pleased to announce the newest Platinum-level partner in its Affinity Partner Program, Complete Legal, the Official eDiscovery Partner of KCMBA.

KCMBA's Platinum Affinity Partners meet strict requirements to participate in the program. KCMBA Executive Director Vickie Mauck said, "At the Platinum Level, our partners provide the highest degree of customer service, integrity and product quality. Therefore, only our Platinum Affinity Partners receive the endorsement as KCMBA's official partner of their category of goods or services. KCMBA's Platinum Partners endure thorough vetting by our staff, Executive Committee and Board of Directors to ensure we are bringing our members reputable companies and valuable services. While each partner is individually responsible for delivery of their goods or services, KCMBA gives its strong support to each of these businesses and the role they play in our legal community. We believe our members will enjoy and benefit from doing business with Complete Legal through this special partnership."

Complete Legal is the premiere eDiscovery service provider for law firms of all sizes. Their eDiscovery consultants strive to educate litigators on ways technology can help them solve problems and meet the unique requirements of each case.

KCMBA President Nate Orr encourages the legal community to consider Complete Legal for their eDiscovery needs, "Complete Legal provides best-in-class eDiscovery consulting. Their understanding of the unique technology requirements of the legal community allows them to provide a high level of service, and their Electronically Stored Information (ESI) experts are truly authorities in the space."

"Just like the KCMBA connects you with the legal community and strengthens your skills and network as an attorney, Complete Legal can strengthen your processes and cases," explained Jeff Dreiling, Complete Legal Co-Founder. "Whether you are looking at production protocol for a new case or you're deep in the throes of eDiscovery, we are here to help KCMBA members build a better case."

Eric Kelting, Complete Legal co-founder added, "We started Complete Legal as a commitment to Kansas City's legal community, a community we've been part of for nearly 20 years. Partnering with the KCMBA as an Affinity Partner is a natural extension of what we care about and who we serve."

The Kansas City Metropolitan Bar Association serves approximately 5,000 members in the nine-county Kansas City metropolitan area: Johnson and Wyandotte counties in Kansas and Cass, Clay, Jackson, Johnson, Lafayette, Platte and Ray counties in Missouri. The mission of this Association is to serve our members and our community by promoting justice, professional excellence and respect for the law.
