**KCMBA Announces Continued Relationship with imageQUEST,  
Official Print Solution Partner of KCMBA**

Kansas City Metropolitan Bar Association (KCMBA) is pleased to announce the renewal of its Platinum-Level Affinity Partnership with its Official Print Solutions Partner, imageQuest.

KCMBA President Dan Blegen encourages the legal community to find out how imageQUEST can streamline their processes. He said, "imageQuest's comprehensive product offerings and their ability to provide local service and support enables them to provide unmatched solutions to their customers, and we encourage our members to consider doing business with them."

imageQUEST is part of Global Imaging Systems, a wholly-owned subsidiary of Xerox, one of the largest technology companies in the world. From document management to collaborative communication tools and multifunction systems, they provide the broadest portfolio of technology solutions for companies of any size.

"We are excited about our continuing partnership with KCMBA, as they have been invaluable in helping us connect with the Kansas City legal community," said Joe Zubeck, solution specialist.

"At the platinum level, our partners provide the highest degree of customer service, integrity and product quality. For that reason, only our Platinum Partners receive the endorsement as the official partner of their category of goods or services. KCMBA's Platinum Partners endure scrutiny by our staff, Executive Committee and Board of Directors to ensure we are bringing our members companies and valuable services at a fair price. While each partner is individually responsible for delivery of their goods or services, KCMBA gives its strong support to each of these businesses and the role they play in our legal community. We believe our members will enjoy and benefit from doing business with imageQuest as we have," said Vickie Schatz, KCMBA Executive Director.
