KCMBA Launches SUPER CLE through June

KCMBA is offering 60 hours of live continuing legal education (CLE), including 14 hours of ethics, during SUPER CLE through June. SUPER CLE provides something for everyone, offering a wide variety of relevant accredited topics including accident reconstruction, evidentiary issues in bench trials, trade secrets and confidentiality agreements, dividing retirement assets in family law, class actions, and updates on nearly every area of the law.

Designed to fit the busy schedules of lawyers, SUPER CLE offers 15 distinct programs in locations throughout the greater metropolitan area. Locations include Kansas City (including north of the river), Independence and Overland Park, with most of the programming conveniently scheduled at KCMBA Headquarters located at 2300 Main Street, featuring easy access and free covered parking.

CLE By The Hour offers eight hours of CLE on five separate days and allows attorneys to sign up for as many, or as few, credit hours as they need. Sessions are purchased by the credit hour and value priced starting at only \$35 per credit hour. All attorneys are welcome and discounts are available for KCMBA members.

In addition to live CLE, KCMBA offers the ultimate CLE convenience through its On Demand programming, accredited in Missouri and Kansas. Kansas attorneys can take advantage of Kansas' rule allowing up to five CLE credit hours (including ethics!) per compliance period by participating in On Demand CLE, anytime and anywhere internet access can be found, even on a mobile device. Check out the variety of reasonably priced On Demand programs available at <https://kcmba.org/cle/cle-now>.

“With nearly 5,000 members in the greater Kansas City area, we know how to exceed attorney expectations when it comes to year-end CLE offerings. Our programs feature some of the best and brightest local talent and offer a wide variety of topics, locations and formats. This year we added a new CLE By The Hour in Briarcliff, north of the river. KCMBA is a great resource for anyone looking to meet their compliance requirements with informative, convenient and value-priced programming.” said Vickie Schatz, KCMBA Executive Director. “We hope you will consider KCMBA’s many offerings, when planning your June CLE.”

Registration is open for all CLE programs, including CLE By The Hour scheduled for Tuesday, June 21 at Stoney Creek Hotel in Independence, Missouri; Friday, June 24, at Johnson County Community College in Overland Park, Kansas; Tuesday, June 28, at Courtyard Kansas City, in Briarcliff, Kansas City, Missouri; Wednesday, June 29 at KCMBA Headquarters, Kansas City, Missouri and Friday, June 30 at KCMBA Headquarters, Kansas City, Missouri.
