KCMBA Announces Continued Relationship with the Official eDiscovery Partner of KCMBA, Digital Strata

The Kansas City Metropolitan Bar Association is pleased to announce the renewal of our Platinum Level Affinity Partnership with the Official eDiscovery Partner of KCMBA, Digital Strata.

“At the Platinum level, our partners provide the highest degree of customer service and product quality. For that reason, they receive the endorsement as our “Official” provider of their category of goods or services. KCMBA’s Platinum Partners endure scrutiny by our staff, Executive Committee and Board of Directors to ensure we are bringing our members reputable companies and valuable services at a fair price. While each partner is individually responsible for delivery of their goods or services, KCMBA gives its strong support to each of these businesses and the role they play in our legal community. We believe our members will enjoy and benefit from doing business with Digital Strata through this special partnership with KCMBA,” said Vickie Schatz, KCMBA Executive Director.

Digital Strata is the premiere eDiscovery service provider for law firms and corporations, whether you need an on-demand partner, a dedicated in-house team, or simply a trusted educational resource. Their flexible, collaborative, and hands-on approach brings together over a decade of experience as an industry leader with state-of-the-art technology and support. And they do so in a way that ensures exceptional quality, integrity, and efficiency.

“We are truly excited to be participating in the KCMBA Affinity Partnership program for our second year. Working with the team at KCMBA is fantastic, they have been instrumental in helping us reach out to the Kansas City legal community. This year we look forward to working with KCMBA on four CLE events to provide quality e-discovery education.”

KCMBA President Russ Jones encourages the legal community to consider doing business with Digital Strata. He said, “We are so pleased to continue working with Digital Strata. They continually excel at providing top quality service to the legal community, and we encourage our members to continue learning about technology through their programs and work.”

The Kansas City Metropolitan Bar Association serves approximately 5,000 members in the nine-county Kansas City metro area: Johnson and Wyandotte counties in Kansas and Cass, Clay, Jackson, Johnson, Lafayette, Platte and Ray counties in Missouri. The mission of this Association is to serve our members and our community by promoting justice, professional excellence and respect for the law.
