Midwest Litigation & Trial Services, the Official Litigation Partner of KCMBA, renews Platinum Affinity Agreement

Kansas City Metropolitan Bar Association is pleased to announce the renewal of our Platinum Affinity Partnership with Midwest Litigation & Trial Services, the Official Litigation Partner of KCMBA.

At the Platinum level, Affinity Partners provide the highest degree of customer service and product quality. KCMBA's Platinum Partners endure scrutiny by staff, Executive Committee and Board of Directors to ensure members are presented with reputable companies and valuable services at a fair price. For this reason, they receive the endorsement as KCMBA's 'Official' provider of their category of goods or services.

"We are so pleased to partner exclusively with Midwest Litigation for the third consecutive year, as they bring their clients the highest degree of expertise and care when it comes to litigation support," said Vickie Schatz, Executive Director of KCMBA.

As one of the largest, most technologically advanced court reporting and trial services providers in the U.S., Midwest Litigation & Trial Services has been dedicated to the pursuit of professional excellence in the field of court reporting and trial services since its founding in 1988. With nine regional offices, including Kansas City and its headquarters in St. Louis, and over 250 nationwide affiliate partners, Midwest Litigation & Trial Services provides court reporting and transcription services, video conferencing, comprehensive litigation support and advanced trial and technology services across the U.S.

Debbie Weaver, President of Midwest Litigation & Trial Services, said, "Midwest Litigation Services is delighted to be the official litigation partner of KCMBA for the third year in a row. We value our relationship with this outstanding organization and will continue to provide only the highest quality services to its members."

Russ Jones, President of the KCMBA Board of Directors commented, "On behalf of KCMBA, it is my pleasure to have renewed our agreement with Midwest Litigation & Trial Services to be a KCMBA Platinum Level Affinity Partner and the Official Litigation Partner of KCMBA. We truly value our warm and close relationship with Midwest, and we particularly appreciate their involvement with KCMBA and the excellent service they provide to us and to our members. I urge all our members to consider using Midwest for their litigation support needs."

Kansas City Metropolitan Bar Association serves approximately 5,000 members in the nine-county Kansas City metro area: Johnson and Wyandotte counties in Kansas and Cass, Clay, Jackson, Johnson, Lafayette, Platte and Ray counties in Missouri. The mission of this Association is to serve our members and our community by promoting justice, professional excellence and respect for the law.
